Dear Rob,

PM-1321 New Zealand
Our file: 30590

I refer to my letter of 11th October reporting a largely formal Office action in this case. Although these New Zealand actions were referred to in conversation during my recent visit, my notes on the conversation do not clearly show how the matter was left.

After a further review of the action, I believe that I could prepare amended claims for your approval without further instructions, subject to one or two outstanding items which could be taken up when I send the draft.

Please let me know if you would like me to proceed in this way.

Yours sincerely,

~~Miss H. J. Harland~~
